### **DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 18 October 2005 has been entered.
2. Applicant's amendment to 10/770,479 has been examined and remarks carefully reviewed. Claims 6 and 7 are cancelled. Claims 1 and 4 are amended. Claims 1-5 are pending.
3. Applicant's amendment and remarks have been reviewed and are considered persuasive. Claims 1-5 contain allowable subject matter.

### ***Priority***

4. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Japan on 06/06/2001. It is noted, however, that applicant has not filed a certified copy of the foreign application as required by 35 U.S.C. 119(b). Examiner has reviewed the contents of the parent application, 10/083,341, and the certified copy is not present as part of the contents.

### ***Specification***

5. The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

***Allowable Subject Matter***

6. Claims 1-5 are allowed over the prior art of record.
7. The following is an examiner's statement of reasons for allowance: In a design method of a semiconductor integrated circuit device, the prior art does not teach an interface checker integrated into the semiconductor integrated circuit device so as to form one simulation model.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

8. This application is in condition for allowance except for the following formal matters: Applicant must provide a title that is relevant to the subject matter of Applicant's claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
